

MGM INSTITUTE OF HEALTH SCIENCES

(Deemed to be University u/s 3 of UGC Act, 1956)

Grade „A“ Accredited by NAAC

NIRF 2019: Rank Band 151-200 in University Category

Information Brochure

2020 - 2021

MGM NEW BOMBAY COLLEGE OF NURSING NAVI MUMBAI

ADDRESS

Sector – 01, Kamothe, Navi Mumbai – 410 209

VISION

MGM Institute of Health Sciences aims to be a top ranking centre of Excellence in Health Science Education, Health Care and Health Research.

MISSION

- Students graduating from the Institute will have the required skills to deliver the quality health care to all the sections of the society with compassion and benevolence, without prejudice or discrimination at an affordable cost.
- As a Research Centre, it shall focus on finding better, safer and affordable ways of diagnosing, treating and preventing diseases. In doing so, it will maintain highest ethical standard.

‘To wipe every tear from every eye.’

- Mahatma Gandhi

About MGM Institute of Health Sciences, Navi Mumbai

The **Mahatma Gandhi Mission (MGM) Trust** is the parent body of MGMIHS which was established in 1982 by Hon. Shri.Kamalkishor N. Kadam, M. Tech (IIT Bombay) and Former Minister of Higher & Technical Education, Government of Maharashtra with a futuristic vision to provide qualitative education by applying innovative and dynamic pedagogical techniques, promote health, prevent and cure diseases, advancing biomedical and clinical research and educational programs for tomorrow's physicians and scientists. Since inception, the Trust has focused on providing Health Care Services, School Education and Higher Education with dedication and commitment. Members of the Trust are highly committed and well qualified professionals (doctors and engineers) who established, developed and nurtured this institution. By selecting this institute, you have made the right choice to get quality medical education.

A chain of Schools, Medical, Nursing, Management, Engineering, Architecture, Computer Science & IT, Bioinformatics and Biotechnology, Fine Arts and Journalism stand testimony to the endeavors of the Trust. These Institutions under MGM Trust have achieved a mark of excellence in their respective areas over the years.

The MGM Trust had started two medical colleges, MGM Medical College & Hospital at Navi Mumbai during 1989, and MGM Medical College & Hospital at Aurangabad during 1990 with an intake of 100 seats in both colleges and affiliated to Maharashtra University of Health Sciences, Nasik for UG and PG courses. During the year 2006, University Grants Commission approved establishing of **MGM Institute of Health Sciences (MGMIHS)** as **Deemed to be University** u/s 3 of UGC Act, 1956 with these two constituent medical colleges at Navi Mumbai and Aurangabad, vide Notification No. F. 9-21/2005-U.3 (A) dated 30.08.2006 issued by the Government of India, Ministry of Human Resource Development, Department of Higher Education, New Delhi.

At present, it runs 09 institutions (Medical, Biomedical, Physiotherapy, Nursing, Prosthetics & Orthotics) located at 02 centers, namely Navi Mumbai and Aurangabad. All these institutions strive to achieve excellence in all areas and nurture total commitment to community services, by way of outreach programs. MGMIHS is having Hospitals at Navi Mumbai and Aurangabad with a total capacity of around 1740 beds. Our medical services are extended to needy patients and those below poverty line.

MGMIHS has been rated **Grade „A“** by the **National Assessment and Accreditation Council (NAAC)**. MGMIHS has ranked amongst top 200 universities of India (Under Rank Band: 151 - 200) in **NIRF – 2019 ranking**. It has also received **National 3rd ranking under Swachh Campus by MHRD, Govt. of India** for recognizing the green, self sustained and environment friendly campus at both locations.

Chancellor's Message

“The best way to find yourself is to lose yourself in the service of others.” -

Mahatma Gandhi

Health care is the largest industry in the world and second largest in India, rapidly attracting new entrants and generating competition. With our feet firmly on the ground, we have kept pace with technology and globalization. While inducting latest diagnostic and therapeutic equipment for patient management, we are part of the academic collaboration programmes entered into by MGM Medical College with National and International institutes to expose students to newly emerging trends in medical science. MGM Institute of Health Sciences (Deemed to be University), Navi Mumbai offers quality education in Medical, Biomedical, Physiotherapy, Nursing, Prosthetics & Orthotics undergraduate, post graduate and Ph. D. programs. I welcome you all with Best Wishes....

- Shri Kamalkishor N. Kadam

Hon'ble Chancellor, MGMIHS

Vice Chancellor's Message

All the constituent Institutes of MGM Institute of Health Sciences at Navi Mumbai and Aurangabad will help you realize your dreams of becoming good health professional. Both campuses are located in beautiful, eco-friendly locations. Hostels are situated within the campuses. Excellent infrastructure has been provided with state-of-art equipments, laboratories, computers, class rooms, teaching aids and libraries. Highly quality teaching faculty with long years of experience will guide you to learn the art and science of medicine with love and care. Each College has a large hospital attached within the campus. Patient workload is very high. In addition to general specialties, all super-speciality services are available in these hospitals. So you will have plenty of clinical workloads to learn your clinical skills. Ragging is strictly prohibited and is a criminal offence. So no one dares to indulge in this despicable practice.

- Dr. Shashank D. Dalvi

Hon'ble Vice Chancellor, MGMIHS

Registrar's Message

MGMIHS has a culture of continuous growth which is evident from its active alumni network spread across the globe as well as its dedicated faculty with rich experience in their respective domains along with the various initiatives undertaken by students on campus. MGMIHS is determined to outshine the yardstick set, thus uplifting to higher trajectory in developing, designing and delivery of curriculum, training the budding health science professionals to acquire clinical acumen and skills and promoting and supporting research relevant to local, regional and national needs.

- Dr. Rajesh B. Goel

Registrar, MGMIHS

Nursing is an art; and if it is to be made an art, requires as exclusive a devotion, as hard a preparation as any painter's or sculptor's work; for what is the having to do with dead canvas or cold marble, compared with having to do with the living body.....the temple of God's spirit..... it is one of the fine arts. I have almost said the finest of fine arts.

Florence Nightingale

1820 - 1910

THE COLLEGE:

MGM New Bombay College of Nursing, a constituent unit of MGM institute of Health Sciences (Deemed university u/s 3 of UGC Act 1956) Navi Mumbai, had its inception in August 2008. The college offers various programs of study, in nursing i.e. Under graduate, Post graduate and Ph.D. programme with realistic and successful access to higher education. All the Programmes are approved by Indian Nursing Council New Delhi and Maharashtra Nursing Council Mumbai.

In the year 2016, the Union Ministry of Health and Family Welfare, launched, a competency based Nurse Practitioner in Critical Care (NPCC), Post graduate Programme. The Institute is one among the pioneering institutes in India for starting the NPCC programme.

The college is self paced with basic and advanced learning resources, well equipped class rooms, multimedia and LCD facility, nursing laboratories, administrative offices, student lounges and a library with latest books, journals and online facilities. The institute has an excellent pool of faculty members who possess PhD and Post graduate qualification in various nursing specialties who are committed with strong work ethics and have rich academic and clinical experience to augment teaching and learning activities.

MGM group of hospitals provide rich field of hands-on clinical experience to the students under strict supervision by the nursing faculty.

The faculty and students participate in variety of research activities and publish research papers on regular basis. To foster all round development, the students are encouraged to participate in various extracurricular and co curricular activities at local, state and national level.

Goal

- To Provide quality patient care through excellence in nursing education, practice and research
- To be the "Centre for excellence" in offering nursing education and research of a very high standard.

Objectives

- Demonstrate competency in the knowledge and skills in providing comprehensive nursing care based on problem solving approach in the hospital and community.
- Participate as members of health team in the promotive, preventive, curative and restorative health care delivery system.
- Demonstrate leadership qualities and function effectively as nurse educator and Manager.
- Demonstrate skill in conducting nursing research, interpreting and utilizing the findings from health related research.
- Demonstrate clinical competence / expertise in providing critical care which includes diagnostic reasoning, complex monitoring and therapies.
- Identify the critical conditions using differential diagnosis and carry out interventions to stabilize and restore patient's health and minimize or manage complications independently or

PHILOSOPHY

The faculty believes that

- The value of human life, the inherent worth of the individual and the attainment of a high standard of health as the right of every individual. The discipline of nursing is concerned with individual, family, and community and their responses to health and illness within the context of the changing health care environment.
- Education provides students with opportunities to develop habits of critical, constructive thought so that they can make discriminating judgments in their search for truth. This type of intellectual development can best be attained in a teaching-learning environment which fosters sharing of knowledge, skills and attitudes as well as inquiry toward the development of new knowledge. The faculty and students comprise a community of learners with the teacher as the facilitator and the students responsible for their own learning.
- Teaching and learning are essential continuing components of professional responsibility in nursing. Learning is a lifelong process which requires a commitment to personal and professional growth and continued development of individual knowledge and abilities. This pursuit of knowledge and wisdom is the responsibility of both faculty and students.
- The importance of faculty involvement in research and clinical practice encourages to develop nursing theory as a basis for the improvement of nursing practice and for the development of educational programs.

MESSAGE FROM THE PRINCIPAL

"Relationships are based on four principles: respect, understanding, acceptance and appreciation"

Mahatma Gandhi

Dr. Prabha K. Dasila

The health care system in India requires a large number of qualified health care professionals to meet the prescribed norms laid down by the World Health Organization (WHO) for serving the Indian population. Considering the growing demands of health professional in the country, the college of nursing was established in 2008, to prepare professional nurses with basic and advanced competencies in nursing practice, education, administration and research.

Since its inception in 2008, the college has progressively grown in its strength and scope with enhancement of various nursing programmes, state of the art infrastructure and other resources in response to increasing demand of professional nurses. The journey that is laced beautifully with triumphs would not have been possible without the selfless contribution of highly dedicated, hard working and multi-talented teaching faculty, non-teaching staff and students, who have always worked as a team to accomplish each and every activity.

The college encourages the students to participate in various curricular, co-curricular and extracurricular activities within MGM and outside campus. Talents are honed by the students through an amalgamation of classroom learning, clinical experience, co-curricular and extracurricular activities. Over the years the students have demonstrated exceptional hard work in pursuit of excellence in not only academics but also in other activities.

Nursing Students graduating from MGM find a wide range of opportunities for higher education within the campus. Upon successful completion of B.Sc Nursing, those who intend to continue their studies can opt for M.Sc and Ph.D. studies in nursing from the same institution. Nursing graduates can also choose Post graduate courses in Biomedical Sciences, hospital management, health care and public health management from MGM Institute of Health Sciences Navi Mumbai. In fact, the institute also provides UG and PG students with 100 percent job opportunity in MGM group of hospitals and MGM Nursing Educational Institutes.

Discipline and hard work is the key to success. Within the span of 10 years the college has become proud alma mater for more than 300 graduates who are currently working in premier institutes of the country and around the globe. It is the matter of great pleasure and pride that our college has been ranked one among the top ten most promising colleges in India by Higher Education Review Magazine 2018.

MGM New Bombay College of Nursing endeavors to maintain a *student friendly environment* to provide quality education and prepare professional nurses sensitive to human needs. It gives me immense pleasure to welcome all the aspirants of undergraduate, postgraduate and PhD programme in Nursing at this college.

COURSES OFFERED

1) B.Sc. NURSING

Eligibility Criteria:

1. The minimum age for admission shall be 17 years on 31st December of the year in which admission to be sought.
2. The minimum educational requirements shall be;
 - a) A candidateshould have passed in the subject of PCB & English Core/ English Elective individually and must have obtained a minimum of 45% marks taken together in PCB in the qualifying examination i.e. (10+2) from recognized board under AISSCE/ CBSE/ ICSE/ SSCE/ HSCE or equivalent Board.
 - b) Students passed 10+2 examination in Science conducted by National Institute of Open School with 45% marks.
 - c) Relaxation of 5% marks is applicable for SC/ST candidates.
3. Candidate shall be medically fit.
4. Merit based on Entrance examination conducted by MGMIHS.

2) POST BASICB.Sc. NURSING

Eligibility Criteria:

1. Passed the Higher Secondary or Senior Secondary or Intermediate or 10+2 or an equivalent examination from a recognized board.
2. General Nursing and Midwifery and registered as R.N.R.M. with the State Nurses Registration Council.
3. Equivalency of foreign nursing qualification from Indian Nursing Council in case GNM from Foreign countries.
4. Medically fit.

3) M.Sc. NURSING

Eligibility Criteria:

1. The candidate should be a Registered Nurse and Registered midwife of equivalent with any State Nursing Registration Council.
2. The Minimum education requirements shall be the passing of: B.Sc. Nursing/B.Sc. Hons. Nursing/Post Basic B.Sc. Nursing with minimum of 55% aggregate marks from an institution recognizedby Indian Nursing Council.
3. Minimum one year of work experience after Basic B.Sc Nursing or Minimum one year of work experience prior or after Post Basic B.Sc Nursing, from a recognized hospital of minimum 100 bed's capacity or a community health setup or a recognized nursing educational institution.
4. Candidate shall be medically fit.
5. Merit based on Entrance examination conducted by MGMIHS.

4) NURSE PRACTITIONER IN CRITICAL CARE (NPCC)

Eligibility Criteria:

1. Must have undergone the B.Sc. Nursing in an institution recognized by the Indian Nursing Council.
2. The applicant; must be a registered B.Sc. Nursing programme with a minimum of one year clinical experience, preferably in any critical care setting prior to enrollment.
3. Must have scored not less than 55% aggregate marks in the B.Sc. Nursing program.
4. Selection will be based on the merit of an entrance examination and interview held by the competent authority.

5) POST BASIC DIPLOMA PROGRAMME IN

- Critical Care Nursing
- Operation Room Nursing
- Neonatal Nursing
- Cardio Thoracic Nursing
- Emergency & Disaster Nursing

Eligibility Criteria:

- Be a registered nurse (R. N. & R. M.) or equivalent.
- Possess a minimum of one year experience as a staff nurse.
- Nurses from other countries must obtain an equivalence certificate from INC before admission.
- Be physically fit.

Alumni – All the graduates are encouraged to register with Alumni Association, to support a network of former graduates who will in turn help to raise the profile of the institute. Successful graduate are the assets of any institution. They are invited to address and guide the junior students about the career opportunities and current trends in the market. Such sessions are quite motivating which creates enthusiasm among young students. The graduates are encouraged to keep their connection with the college. They are involved in availing numerous educational opportunities at the college.

RAGGING

The Supreme Court defined ragging in the VishwaJagriti matter (1999) as, “Any disorderly conduct whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness to any other student, indulging in rowdy or undisciplined activities which causes or is likely to cause annoyance, hardship or psychological harm or to raise fear or apprehension thereof in a fresher or a junior student or asking the students to do any act or perform something which such student will not in the ordinary course and which has the effect of causing or generating a sense of shame or embarrassment so as to adversely affect the physique or psyche of a fresher or a junior student.”

UGC has notified the 3'd Amendment in UGC Regulations on 29th June, 2016 to expand the definition of ragging by including the following;

Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.

WHAT CONSTITUTES RAGGING

Ragging constitutes one or more of any of the following acts:

- a) Any conduct by any student or students whether by words spoken or written or by an act which has the effect of teasing, treating or handling with rudeness a fresher or any other student.
- b) Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical or psychological harm or to raise fear or apprehension thereof in any fresher or any other student.
- c) Asking any student to do any act which such student will not in the ordinary course do and which has the effect of causing or generating a sense of shame, or torment or embarrassment so as to adversely affect the physique or psyche of such fresher or any other student.
- d) Any act by a senior student that prevents, disrupts or disturbs the regular academic activity of any other student or a fresher.
- e) Exploiting the services of a fresher or any other student for completing the academic tasks assigned to an individual or a group of students.
- f) Any act of financial extortion or forceful expenditure burden put on a fresher or any other student by students.
- g) Any act of physical abuse including all variants of it: sexual abuse, homosexual assaults, stripping, forcing obscene and lewd acts, gestures, causing bodily harm or any other danger to health or person.
- h) Any act or abuse by spoken words, emails, post, public insults which would also include deriving perverted pleasure, vicarious or sadistic thrill from actively or passively participating in the discomfiture to fresher or any other student.
- i) Any act that affects the mental health and self-confidence of a fresher or any other student with or without an intent to derive a sadistic pleasure or showing off power, authority or superiority by a student over any fresher.
- j) Any act of physical or mental abuse (including bullying and exclusion) targeted at another student (fresher or otherwise) on the ground of colour, race, religion, caste, ethnicity, gender (including transgender), sexual orientation, appearance, nationality, regional origins, linguistic identity, place of birth, place of residence or economic background.

ADMINISTRATIVE ACTION IN THE EVENT OF RAGGING

The institution shall punish a student found guilty of ragging. The Anti-Ragging Committee of the Institution shall take an appropriate decision, in regard to punishment or otherwise, depending on the facts of each incident of ragging and nature and gravity of the incident of ragging established in the recommendations of the Anti-Ragging Squad.

- i. Suspension from attending classes and academic privileges.
- ii. Withholding/ withdrawing scholarship/ fellowship and other benefits.
- iii. Debarring from appearing in any test/ examination or other evaluation process.
- iv. Withholding results.
- v. Debarring from representing the institution in any regional, national or international meet, tournament, youth festival, etc.
- vi. Suspension/ expulsion from the hostel.
- vii. Cancellation of admission.
- viii. Rustication from the institution for period ranging from one to four semesters.
- ix. Expulsion from the institution and consequent debarring from admission to any other institution for a specified period. Provided that where the persons committing or abetting the act of ragging are not identified, the institution shall resort to collective punishment.

University Grants Commission has set up a toll free Helpline for dealing with Ragging. Any victim of ragging can ring up **the toll free number 18001805522** or send an email to: **helpline@antiragging.net**. The helpline will be operational 24 hours. Immediate action will be taken within fifteen minutes by alerting appropriate authorities, be it the head of the educational institution, the district collector or the police.

Every student studying in the college and his/her parents/ guardians shall provide the specific affidavit required as per the UGC regulations. It is mandatory for every student and his/her parents to submit an anti ragging affidavit at the time of first admission and there after each year at the time of annual registration.

CODE OF CONDUCT

IN COLLEGE

1. Greet the authorities in the college and hospital premises.
2. Both parents and guardians are required to put their specimen signatures in the presence of the class teacher in the beginning of the academic year.
3. Daily attendance in college and clinical are compulsory. Attendance would be taken at the beginning and end of the day. If the attendance is not fulfilled as per the requirements, the students will not be eligible to appear in the final University examination.
4. Lunch break will be of half an hour only.
5. The students should maintain silence in the classroom, library and other rooms and in the corridors when lectures are in session.
6. If a student is required to get leave from the college or hospital in the middle of the day for an emergency, the student must get approval sanctioned from her class teacher or a supervisor and a letter must be produced from the parent/guardian.

Graduate Attributes

Graduate attributes are the qualities, skills and understandings a university community agrees its students should develop during their time with the institution. These attributes include but go beyond the disciplinary expertise or technical knowledge that has traditionally formed the core of most university courses. They are qualities that also prepare graduates as agents of social good in an unknown future.

(Bowden *et al*, 2000)

A student graduating from MGM Institute of Health Sciences, NaviMumbai, should attain the following attributes:

- 1 • Dynamic professionalism
- 2 • Exemplary leadership
- 3 • Effective communication skills
- 4 • Scholarly attitude
- 5 • Element of critical thinking
- 6 • Enthusiasm for research
- 7 • Social commitment
- 8 • Global competencies
